GENERAL INFORMATION

LOCATION—The sale will be held in the new, modern, heated COW PLACE sale pavilion located on the south edge of Forest City, Iowa on U. S. Highway No. 69 on Saturday, March 21, 1970 starting promptly at 12:30 p. m.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the Clerk of the Sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from the purchaser.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee recommended by the American Shorthorn Breeders' Association and shown at the back of this book.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, officers and directors of the North Central Iowa Shorthorn Association, nor the clerk of the sale assumes any liability, legal or otherwise.

All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bang's disease test within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory.

Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

Certificates of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the consignor or written from information supplied by the consignor.

INSURANCE—Buyers wishing to insure their purchases through Harding & Harding Livestock Insurance can be accommodated by so indicating to the Sale Manager at the Sale or to the Sale Clerk at time of settlement.

MAIL BIDS—Mail or wire bids may be sent to Ted Aegerter, Asst., Sec'y., American Shorthorn Assn., Omaha, Neb., Gene McDonald, The Shorthorn World, Aurora, Ill., Wade Hauser, Jr., Wallaces Farmer, Des Moines, Ia., Albert J. Hamann, Sale Manager, Rock Rapids, Ia., or to Dick Kane, Auctioneer, Wisner, Neb.

LATE BIDS—Any of these men may be reached on sale day at the COW PALACE sale pavilion, Forest City, Iowa, telephone 515 582-4646.

LOUADA LEGACY—An outstanding tried and proven sire that was the second high selling bull in the 1966 Canadian International Bull Sale at Brandon, Manitoba. His sons have sold well in the Minnesota State Sale and we have 30 of his daughters in the herd so that his further use is limited. He is exceptionally sound and active, a very sure breeder and can do some herd a lot of good. He is sired by the great Louada Rothes King who has sired so many champions and sale tops. His dam is by the International reserve grand champion Louada Cornerstone, and a double bred granddaughter of the \$60,000 Bapton Constructor. Legacy is a maternal brother to Louada Achievement, the 1963 International reserve senior champion and Louada Air Raid, both used in the Cardy herd in California. He is a full brother to Louada Aragon used some at Louada and then made a great record in the Rser herd in Washington. Some good herd could well consider further use of this bull.

MERDALE PRINCIPAL—A good, big, heavy boned bull that has style, balance and thickness with firm muscling. A strong 2-year old that is ready for heavy service. His sire left many good calves until his service was cut short due to injury. His pedigree was backed by Bapton Constructor and Calrossie Legend breeding. His dam is a big roomy cow that carries as much Calrossie Mercury breeding as any female that you could find today. This bull will do in a good herd.

STUDER'S NUGGET x—A good, rugged Polled bull that is ready for service. He is sired by Louada White Knight who has sired so many champions for us including the 1969 Iowa Royal Champion, and the 1970 Sioux Empire champion. His dam is by one of the tops in an Omaha sale and the granddam is a half sister to a National Polled Congress champion. He is of herd bull caliber.

URY QUEEN 28th—A very good heifer that should be a sale attraction. She is sired by Louada White Knight who has sired so many champions for us, both bulls and females. Her dam, from an old reliable family of big cows, has a strong concentration of Bapton breeding in her pedigree. To make this heifer really valuable she is safe in calf to the service of the great, undefeated champion Polled bull, SUTHERLAND PROSPECTOR x, the Supreme Grand Champion Polled Shorthorn bull of the 1969 International at Chicago in the greatest Polled show ever held.

Standard Guarantee

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
